INTERNAL SMS TESTING
CONSENT FORM

SMS Test Recipient Consent

Seymy, Inc. | Internal software development and QA testing only

Program and messages

Seymy, Inc. sends non-marketing SMS messages to its authorized internal testers to verify SMS delivery and handling in the Seymy software platform. Examples include simulated service updates, quote and invoice notifications, customer-support scenarios, and technical test messages.

Important disclosures

- Message frequency varies based on testing activity.
- Message and data rates may apply.
- Reply STOP to opt out at any time; reply HELP for assistance.
- Consent is voluntary and is not a condition of purchase.
- This program is not used for marketing or for independent contractors' customers.

Consent - please check the box and sign

☐ I agree to receive SMS test messages from Seymy, Inc. at the mobile number I provide below.

Tester full name

Mobile phone number (including country code)

Signature

Date (MM/DD/YYYY)
